

COVID-19 BIRTH FACILITY QUESTIONNAIRE

I would like to have my partner and doula remain with me during labor and birth. What is your current policy regarding labor and birth support?

I appreciate the dedication and effort of my doctors and nurses, but I am concerned about exposure to COVID 19 by hospital staff. What precautions are you taking to protect me and my baby from exposure during our hospital stay?

Will I and/or my birth support be screened for COVID-19 when I arrive in labor, and what happens if you suspect we may be infected?

What is the current policy regarding early release for me and my baby, 12hrs/24hrs/48hrs?

What is your policy regarding rooming-in if I am positive or presumed positive when I give birth?

Will I be released from the hospital with my baby if I am positive or presumed positive when I give birth?
